

Paradise Valley Conservation Area – Mainline Trail, Nov 23, 2019
Definitely need a trail chair - Many roots and rocks on this dirt trail. Located in Woodinville. We travelled 1.2 miles on this out-and-back trail before the path became too narrow. One of the best trails we have done truly in the outdoors, no +auto traffic near this trail. No wheelchair-accessible bathrooms on trail. Nearest bathroom in gas station outside the park.
